

Maryland Food Bank presents Pack to Give Back Local

Looking for a way to give back to the community this holiday season?

Join us for Pack to Give Back and help the Maryland Food Bank provide thousands of holiday meals to hungry families statewide.

What is Pack to Give Back Local?

Each November generous local businesses participate in Pack to Give Back, the Maryland Food Bank's annual holiday meal packing event. Building on last year's success of creating intimate, local events, we'll be expanding our efforts in every county we serve and Baltimore City.

We're inviting our corporate sponsors to get out into their communities to pack and distribute food to Marylanders in need.

Why get involved?

Each sponsorship helps purchase a traditional holiday meal complete with a turkey. In return, we invite sponsors to help us pack the meals for Marylanders who would have to go without food throughout the holiday season.

These unique micro events will bring your team together with our community during the most vulnerable time of the year. Each event is carefully planned to increase our impact around the holiday season to ensure every Marylander has the chance to enjoy the holidays without hunger.

Pack to Give Back is your chance to make it possible for thousands of Maryland families to have food for the holidays.

“When you’re doing something like Pack to Give Back, you’re focused on the community. The event encourages conversation about how you give back and helps you connect with people outside of the workplace.”
