

How to Donate Stock to the Maryland Food Bank

A stock portfolio can be a valuable asset—one that may carry a substantial capital gain. With careful planning, you may be able to reduce your federal capital gains taxes by donating appreciated stock and securities directly to the Maryland Food Bank. If you are ready to make a gift of stock to Maryland Food Bank, you can follow the instructions below.

Provide your broker with the following information:

Account name	Maryland Food Bank (Tax ID # 52-1135690)
DTC #	0141
Account #	5472-3527
Brokerage Representative	Tony Mavrellos Brown Advisory 901 S. Bond St., Baltimore MD 21231 (410) 537-5516
Maryland Food Bank Donor Services Team	(410) 737-8282, ext. 245 or DST@mdfoodbank.org

Please give your broker permission to release your name and contact information to the Maryland Food Bank so that we may acknowledge you properly. Without your name, we will have no way of knowing where this generous gift came from. (If you wish to be marked as an anonymous donor in our donor publications, you or your broker may make this request.)

Your broker should notify the Maryland Food Bank of the expected stock gift by calling [\(410\) 737-8282, extension 245](tel:4107378282) or emailing the food bank at DST@mdfoodbank.org

Upon receipt of the stock transfer, Brown Advisory will send a confirmation to the Maryland Food Bank confirming the gift date and the high and low trading price on the day of transfer. The gift value will be recognized as the average of the high and low trading price, and the gift date will be documented as the date of the electronic transfer.

The Maryland Food Bank will send you an acknowledgement letter based on the information provided by Brown Advisory, which will include share prices used to value the gift.
