We are extremely grateful for the generous support we received in FY2021 – the financial investments, the in-kind donations, and the gifts of time made through volunteering – that truly impacted our work and the communities we serve. Thank you for joining us in the fight against hunger in Maryland!

“The partnerships we have forged with individuals, corporations, and organizations since March 2020 have been elemental and critical to moving our mission forward now more than ever before. We can’t fulfill our mission without these partnerships and every gift made to the Maryland Food Bank enables us to address food insecurity now while helping to create pathways out of hunger for more Marylanders. We are grateful!”

– Elise Krikau, Senior Vice President, Development
